Approach and Sample

VisitEngland commissions online omnibus surveys periodically in order to collect data on the number of GB consumers, who plan to take an overnight trip at key times throughout the year.

In this December 2025 edition, the survey was carried out using an online omnibus by the research agency Kantar, with a representative sample of 1,227 adults aged 16 and over in Great Britain.

The fieldwork for the survey took place between the 9th December and 11th December 2025.
