2. Qualification criteria

This section outlines the key criteria to be eligible for funding. Please complete these questions before continuing on with the full application. Only those applicants that can answer Yes to all of the following questions are eligible to apply but there is no guarantee that all events or activity will be deemed appropriate or offered grant funding.

Q6 Will all the proposed grant funded activities occur in the financial year 2020/21?

All items of expenditure must be concluded and claimed in arrears within the financial year ending on 31 March 2021. No pre-payments for activities being delivered in future financial years are permitted, but the event can take place a future financial year.

Q7 Is it a 'business event' for a professional, trade, B2B or academic audience?

This includes tradeshows/exhibitions and conferences/congresses. Consumer/ B2C events, festivals, sport and other events are ineligible to apply.

Yes No

Q8 Will the proposed business event only be held in the United Kingdom?

Yes No

Q9 Is the event recurring? Only recurring events qualify.

Only recurring events qualify. Funding will be considered if the event is being held in the UK, but held outside of the UK on other years (e.g UK won International Congress & Convention Association (ICCA) event).

Yes No

Q10 Do more than 250 delegates currently attend the event?

VisitBritain will consider events of a smaller size if the event is clearly for a very senior audience, i.e. CEO-level or equivalent.

Yes No

Q11 Does the funding proposal seek to grow the international profile and attendance of your domestic event?

To be eligible for support an increase of 20% delegate attendance should be achieved from an international audience (VisitBritain considers an 'international' event as one where at least 50% of total delegates/visitors are international (non-UK) visitors). Events that currently do not meet this benchmark must demonstrate how they intend to reach it through activity supported by the funds. Events that already meet this benchmark must indicate how this can be exceeded, and to what extent.

Yes No

Q12

Does the event have the potential to further internationalise its profile and grow the number of international delegates attending the event through targeted activity?

Yes No

Q13

Does the proposal seek to grow international visitor/ delegate and/or press audiences?

This includes visitors/trade visitors, international buyer delegations / 'hosted' buyers, conference delegates and international press. Proposals that seek to grow exhibitors or sponsors will not be considered.

Yes No

Q14

Does the event have large UK trade and investment potential; both during the event (international delegates attending) and also the potential for future trade and investment post-event?

Yes No

Q15

Q16

Does this funding application support new, additional activities to grow international delegates at your event?

The following expenditure items do not qualify for support from the fund, including activity already confirmed to take place, 'business as usual' costs, such as, but not limited to rent and business overheads, salaries for existing or new positions within your organisation and capital expenditure/replacing equipment or in retrospect of expenditure already made.

Yes No

Q17

If successful, will event marketing activity incorporate approved GREAT Britain Campaign branding?

Any marketing activity funded by this programme will require the inclusion of approved [GREAT Britain Campaign branding](#). GREAT showcases the best of what the country has to offer, to inspire the world and encourage people to visit, do business, invest and study in the UK. It is HM Government's most ambitious international promotional campaign ever, uniting the efforts of the public and private sector to generate jobs and growth for Britain. You will be given access to the brand guidelines assets and contacts to approve the brand's use. Any activities that could bring GREAT into disrepute do not qualify for support from the Programme.

Yes No

Q18

If successful, will you be able to supply an evaluation plan that measures the success of funded activity?

If your application is conditionally approved, you will need to provide and agree evaluation plan that includes robust methodology that measures tangible outputs and outcomes from all funded support. Reporting is not restricted to the funding period, and could take place in future financial year.

Yes No

Q19

If successful, will you be able to provide the following, necessary information?

Completed grant claims to draw down funding, which must include copies of invoices and receipts as evidence of payment. Q20

Has your organisation received less than €200,000 (approximately £169,000 at the time of writing) in de minimis State Aid within the past 3 financial years?

If your answer is NO to this question, we regret that you cannot proceed with an application. Support from this grant fund operates under the European Commission's State Aid Regulations which allows de minimis aid up to €200,000 over a rolling three-year financial period awarded by public bodies and local authorities. This value can be a combination of grants over the given period. Please note, if your application is successful, a de minimis State Aid Declaration from the organisation applying for support will be required before a grant can be awarded. In particular, such confirmation must specify that the organisation and the applicable project is state aid compliant.
