

## Great Britain Day Visits Survey (GBDVS) – Additional Analysis Requests

VisitEngland occasionally receives requests for additional data analysis from the GBDVS survey. Details of these requests are below. We are able to provide the below analysis if requested – please contact [VEResearch@visitengland.org](mailto:VEResearch@visitengland.org) to request receipt.

In many cases, sample sizes for additional analysis are low, and all data should be treated with caution. Additional concerns regarding data will be provided if relevant with requests.

The GBDVS is jointly sponsored by the tourist boards of England, Scotland and Wales. VisitEngland is able to provide data for England, but permission must be granted by the other boards to provide data for GB, Scotland or Wales. Please contact Chris Greenwood at VisitScotland ([Chris.Greenwood@visitscotland.com](mailto:Chris.Greenwood@visitscotland.com)) for Scotland level data and Robert Lewis at Visit Wales ( [Robert.Lewis@wales.gsi.gov.uk](mailto:Robert.Lewis@wales.gsi.gov.uk)) for Wales level data. Please contact any of the three boards if you are requesting GB level data.
