Approach and Sample
VisitEngland commissions online omnibus surveys periodically in order to collect data on the number of GB consumers who plan to take an overnight trip at key times throughout the year.

In this Easter 2019 edition, the survey was carried out on an online omnibus by the research agency Kantar, with a representative sample of 1258 adults aged 16 and over in Great Britain.

The fieldwork for the survey took place between the 11th – 15th of April. Good Friday 2019 falls on 19th April, and Easter Monday is on 22nd of April. In 2018, the Good Friday bank holiday fell on 30th March, while Easter Monday was on 2nd April, and fieldwork for the 2018 survey took place between the 22nd to 26th March 2018.
